The Shirley Aitken Participation Awards

This award focuses on student participation. One award will be given out each year. It is awarded to the student who exhibits the most pieces of work within his/her grade level. The student will receive a small plaque recognizing their hard work and contribution to the Education department. The students name will also be displayed on a perpetual plaque that will remain in the exhibit hall.

KINDERGARTEN (JK/SK):

1. **Stamping Fun!** Create a piece of art by stamping with materials of your choice in paint.
2. **Show an element of Art - your choice**
