"Volunteers do not necessarily have the time; they simply have the heart."

— Elizabeth Andrew

This quote truly captures the spirit of our community. When I look at the dedicated members of the Stormont Agricultural Society, I see countless individuals who generously give their time, energy, and passion to ensure the continued success of the Stormont County Fair. Year after year, our volunteers step forward, often behind the scenes, to make our fair a place where traditions thrive and memories are made.

It is an incredible honour to serve as the first third-generation President of the Fair. I take great pride in this role, knowing my family is proud of all that we have accomplished together and of the strong community spirit that continues to carry our fair forward.

On behalf of the Society, thank you to our loyal sponsors whose ongoing support plays a vital role in the success of the fair. Your generosity helps make everything we do possible.

Thank you as well to every volunteer who continues to contribute their time, talents, and heart. Your commitment does not go unnoticed and is truly appreciated.

I look forward with great excitement to all that we will accomplish together at the 2026 Stormont County Fair, also known as the World's Fair!
