

President's Message

"Volunteers do not necessarily have the time; they just have the heart."

-Elizabeth Andrew

I think that speaks true when I look at the dedicated members in our community that continue to give their precious time to the Stormont Agricultural Society. Time and time again I see dedicated volunteers giving us their free time to ensure the success of the Stormont County Fair. I myself look forward to being the first third generation President of the Fair this year, knowing my grandfather would be proud to see all we have accomplished.

Thank you to our sponsors who continue to give to support the success of our fair!

Thank you to everyone on our team that continues to give their time and volunteer!

I look forward to what we can do in 2025!

Alyssa Waldroff, President – Stormont Agricultural Society
